EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Diana DiBerardino on March 15, 2004.

The application has been amended as follows:

Claims 1-13, 27-39, and 42 are canceled.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: a method of joining a surface of a first ceramic component to a surface of a second component is not taught by the prior art of record. The prior art of record fails to show, teach or suggest, alone or in conjunction, all the limitations of the claimed invention such as applying the silver-based composition which being a mixture of silver metal and a metal oxide, in which the metal in the metal oxide is a metal other than silver to the surface of the ceramic component; heating the joined surfaces of the ceramic components with silver-based component in between to melt the silver-based composite; and cooling the surfaces for bonding the first and second ceramic components together.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
